NBDPN 2015 Silent Auction and Registration Reminder

Silent Auction and Registration Reminder

Silent Auction Items Needed

There are just 2 weeks left to let Civillia know what you/your colleagues are bringing for the Silent Auction during the Network meeting in Arlington. The Auction provides fun and funds to support the Network's mission.

Donations don't have to be lavish or expensive. See how creative you can be coming up with items to donate. If you're coming as a state team representative, please consider a donation of craft, food, or other items unique to your state. Donate a good book, DVD or CD you enjoy. Blessed with artistic or crafting ability? Donate something you've created. Your participation is critical to our success! Donations are tax deductible.

Send information, including photos of your donation, if possible, to Civillia Winslow Hill (civillia@aol.com) **no later than October 12th**. See you in Arlington!

Register for the 2015 Annual Meeting

Planning to join us, but not yet registered? The 2015 NBDPN Annual Meeting, will be held October 19-21, at the [Key Bridge Marriott](#) in Arlington, VA. We have an exciting agenda covering birth defects surveillance, research and prevention. A training workshop on health outcomes & service utilization is planned for Sunday October 18th. Additional information and a preliminary agenda are available on the [NBDPN website](#) or contact NBDPN_AM@nbdpn.org
