Events at the Annual Meeting

Silent Auction

This year's annual meeting in Arlington will give us a chance to have some fun with a silent auction again. See how creative you can be coming up with items to donate. As always, contributions of artwork, crafts, books (both academic and those for leisure reading), music, jewelry, and accessories are most welcome. Specialty foods; libations; and baskets of goodies from your state, region, or country are a big hit as well. Consider offering your home or vacation house as a weekend getaway, since these items boost the earnings from this great event. As you know, your donation is tax-deductible and your participation in the event is appreciated. Send information, including photos of your donation, if possible, to Civillia Winslow Hill (civillia@aol.com) **no later than October 12th**. See you in Arlington!
